Forecast For East of England
Issued by Met Office Exeter
at 0400 on Tuesday 07 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A dry start but turning wet and very windy.

Today:
A dry, cold and frosty start, before rain and very strong winds spreads eastwards across all parts during the afternoon. Becoming drier through the evening as rain clears but staying windy. Maximum temperature 6 deg C (43 deg F).

Tonight:
Dry into the evening as rain clears but remaining very windy, and further showers are likely into the early hours. Minimum temperature 3 deg C (37 deg F).

Wednesday:
Winds slowly easing through Wednesday but remaining blustery and unsettled with further showers or more prolonged rain at times. Maximum temperature 7 deg C (45 deg F).

Outlook for Thursday to Saturday:
A drier day through Thursday with lighter winds. Further rain overnight into Friday but generally a bright and breezy day before turning unsettled Saturday with rain likely once again.
